

WORDPRESS HOSTING & MAINTENANCE PACKAGES

Software updates, security patches, backups, and continually monitoring are a necessary part of running a professional and profitable website. For many companies, managing this on their own is hard to maintain and often gets overlooked.

Allow Spectrum Interactive Group to protect your business from a major disruption by selecting one of our hosting and website care/maintenance packages:

BASIC SUPPORT	SILVER SUPPORT	GOLD SUPPORT
\$60** PER MONTH (approx. 1 hour of time/month)	\$175** PER MONTH (approx. 2 hours of time/month)	\$285** PER MONTH (approx. 3 hour of time/month)
<p>Includes:</p> <ul style="list-style-type: none">● Hosting on our secure servers● Free SSL*● Priority support● Daily site backups● Regular updates of WP Files, Themes, and Plugins● Monthly reports● No long-term commitments	<p>Includes everything from the Basic Hosting Plan, plus:</p> <ul style="list-style-type: none">● Off-site daily backups● Daily Security Scans● Performance Scanning● Link monitoring● Keyword Monitoring – up to 20 Keywords● Uptime monitoring● Detailed monthly reports● 1 hour of content management per month	<p>Includes everything from the Silver Support Plan, plus:</p> <ul style="list-style-type: none">● Blog comment moderation● Keyword Monitoring – up to 60 Keywords● Two hours of content management per month

All plans include hosting on Spectrum Interactive Group's ultra-secure, hyper-fast servers at no additional charge. Our hosting also includes a three-site environment for development, staging, and production (live) websites. This provides tremendous flexibility when updating sites and rebranding.

Migration to Spectrum Interactive Group's servers is provided at no additional charge.

*only available if site is hosted on Spectrum's servers
** Add \$20/month if site is not hosted on Spectrum's servers
